THE MAZE

LOCATION:
1875 K ST. DC

The Maze gives you the freedom to design an elegant and comfortable sectional according to your individual size and needs. Its pulled upholstery along with firm inserts allow a more sleek look.

THE ZULA

LOCATION:
109 S 5TH

This tile-like look allows for a more relaxed and casual atmosphere. The softer cushions, lower seating and interchangeable size & fabric provides a array of design capabilities. For Outdoor or Indoor use.

THE STRETCH

This sofa, suited to its name, allows you to stretch out and relax on its wide, deep & low seats.

SIESTA

The soft upholstery with the deep seat of this sofa is the perfect place to take a nap or a... Siesta

THE SLEIGH

The Sleigh shaped arms are the key factor in this elegant sofa design. Thick, soft cushions complete this design to perfection.

THE BALDWIN

The Baldwin banquette, with its piano keys look-alike back promote poise with its firm seat and a splash of whimsical design.

THE ISLE

LOCATION:
ASTORIA/QUEENS

A perfect piece for the center of a room, lobby or recreation area. Our custom stitching options can turn this simple design into a beautiful masterpiece of comfort.

TUBO OTTOMAN

LOCATION:
110 WALL ST.

The Tubo is an ottoman that adds a flash of modern design with the simplicity of a tall oval shape.

THE LEVEL

LOCATION:
18TH ST. HQ

A clean and straightforward bench with a wooden base. The arms-less loose cushions allow for freedom of firmness and dimension.

CUBO OTTOMAN

The Cubo ottoman has tapered lines and knife edge details which enhance its seamless wrapped fabric effect. This design creates an edgy sharp look with the comfort of a classic ottoman.

BOULDER SINGLE

The Boulder Single is the start line of the Boulder Sectional. This design was built on wheels to provide the ease of moving a sectional from one location to the next according to your needs.

THE XAVIER

Sublime lines, detailed custom stitching and structure give this piece a more contemporary feel.

MELLO

You can always find that comfy position in this Mello Pouf. The 3 point angle adds a fun twist of design to the classic pouf along with support to anyone with back trouble or sensory issues.

THE PLANK

LOCATION:
33 IRVING

The modern Plank piece fits nicely in small offices or lounge areas. The sleek, fitted upholstery design together with the steel base creates a clean look.

ZULA CHIC

LOCATION:

240 BEDFORD/ OUTDOORS

A thick rounded welting to each individual cushion and the raised water-resistant platform base gives an added Chic design to the classic Zula piece.

Available for outdoor and indoor use.

THE HONEYCOMB

The HoneyComb doubles as a ottoman for sectionals or sofas, yet the rectangular shape can also be used as a bench. A blackened steel frame and tufted top are an added bonus to the practical piece.

THE SCALLOP

The scalloped back wing chair has a firm yet soft detailed back and seat.

THE LOUIS

This vintage armchair brings simplicity with a hint of style to any workspace or home.

GEMINI

Back to back style and poise is instilled in this tufted masterpiece. It's wide arms and double tufted backs brings a whole new meaning to design.

THE CUBO TALL

The Cubo Tall is a detailed version of the Cubo ottoman, bringing added height and seams to the original design.

THE HARP

LOCATION:
1460 BROADWAY/OUTDOORS

A unique outdoor sofa with a custom colored Aluminum frame and Paracord detailing on arms the and back.

THE TAURUS

LOCATION:
ADIDAS/LA

The Taurus is a channeled sectional built to your specifications. Medium density foam gives a sturdy seat made for frequent traffic.

RUMMI

Our clean cut, square ottoman rests on custom steel legs to provide durability and stability.

THE BELL

The Bell's curved back gives you support & comfort while not occupying too much space.

TETRIS

LOCATION:
85 BROAD

The sleek, armless Tetris sectional can be modified to your specifications of height, length and width of each individual section. The perfect piece for a lobby or recreation area.

BOULDER SLEEK

LOCATION:
36TH ST.

The Boulder Sectional is a beautiful masterpiece with a down feather fill that creates a luxurious lounge space or living room.

BOULDER CLOUD

An additional layer of down fill together with a relaxed fabric application creates a more cloud like feel to this Boulder sectional.

THE MAZA

LOCATION:
SAN FRANCISCO

The MaZa provides you with an abundance of configuration options, while promoting a relaxing floor experience.

The “Z” shape design adds a sharper edge to the basic tile-like cushion.

THE HAMPTON

A simple yet elegant wooden base provides an edgy feel to this beach like look. The perfect piece for an outdoor patio, lounge or smaller spaces.

ZULA SINGLE

This single tile Zula piece can be designed to your specifications, of width, depth and height to fit your location & needs. Put it with as many pieces to create a hang-out feel.

CUPOLA OTTOMAN

This unique, dome shaped ottoman along with its leather straps gives a hint of modern and sophisticated design.

CUPOLA FLOOR

The floor pillow version of the “Cupola” Ottoman gives you the same modern design but with extra floor sitting comfort.

PIAZZA FLOOR

The perfect leather strips and raw edges add a touch of country to this modern, square shaped floor pillow.

THE RETRO

A vintage inspired sofa with loop shaped legs, wooden platform and a center table with a spot for magazines, it is the perfect piece for a waiting area, lounge room or office.
